6. Each exhibitor is responsible for getting their animals to the fairgrounds on **Wednesday, September 11th**. All lambs, goats and swine may begin arriving at the Fairgrounds at **6:00 A.M. and must be in place by 2:00 P.M.**, meaning they must be at the Fairgrounds and in a pen by 2:00 P.M. Official Weigh-in time will be between 4:30-6:00 P.M. We will begin by weighing the lambs, goats, then pigs. Failure to weigh in on time will disqualify the animal from competition. **Pen spaces are limited so there may be multiple animals per pen.** Steer weigh-in times and place will be published.
7. At weigh-in the tag number, or tattoo, and exhibitor's name must match that of the number and name registered at tag-in date. Any deviation will disqualify animal from competition. No animal may compete if it has not been validated.
8. Once an animal is unloaded to be weighed and it does not make the weight requirements, it cannot leave the fairgrounds if it is to be weighed in again before weigh-in is over. If the animal is taken off the grounds, it will not be allowed to be re-weighed.
9. The Fair Association is obligated to sell only the top 80% of the livestock (Species with entries more than 10 animals are subject to sell only the top 80%).
10. A fee of 3% of the selling price will be charged as commission to pay the premiums and purchase ribbons.
11. All exhibitors are responsible for the caretaking of their own animals while at the Fair and until the animal has been delivered to the buyer's choice of reasonable destination. Each animal should be fed and watered within a schedule and excessive shrinkage due to negligence of exhibitors will result in cancellation or reduction of payment. Feed, water, and troughs shall be provided by exhibitors.
12. Unethical fitting of animals is prohibited. Any animal that is unethically treated by exhibitors will be disqualified at the discretion of the Fair Association. Any product administered internally or externally to alter the appearance or conformation of an animal for exhibition is prohibited and will be cause for disqualification. This includes, but not limited to, stomach pumping, or the forcing of water into an animal to increase its weight (no tubing allowed).
13. At the time the animal is sold, the Rains County Fair Association has control of the animal.
14. Exhibitors must comply with all other rules and regulations set up by the Rains County Fair Association throughout the entire feeding program, show, and sale.
15. If the 4-H or FFA member has charged their feed at the local feed store and has not paid their bill at the time the exhibitor checks are prepared, the check will be made payable to the youth and the feed store. If all debts are not paid, the child will not be eligible for next year's show.
16. Parents, we need your help getting your child's animal into the arena for the Show and Sale. We have very limited volunteers working the barn, so at least one parent must be responsible for getting your child's animal into and out of the arena.
17. You must pick up all your personal items from the show barn by Sunday afternoon, i.e., water hoses, fans, feed buckets, etc. **We do not gather up any items that are left.**
18. Thank You cards must be brought to our office as soon as you receive your list of buyers from our office. **They must be handwritten by the child on a Thank You card.** We will not accept any that are computer-generated. We will not release your check to you until this request is completed and in our office.

19. If 4-H or FFA members violate any of the above-mentioned Rules, they are subject to one or all of the following deemed by the Fair Board: Forfeiture of Premiums and Prizes, Banned from Future Shows, Banned from any Fair Scholarships, and/or any other Disciplinary Actions at the discretion of the Fair Board.

CLEAN-UP
